

## English – Writing

At Felix Primary School we teach writing using Jane Considine's The Write Stuff. This is an engaging approach using three stages:

Initiate – Teach content, powerful vocabulary and grammar skills

Model – Demonstrate excellent examples

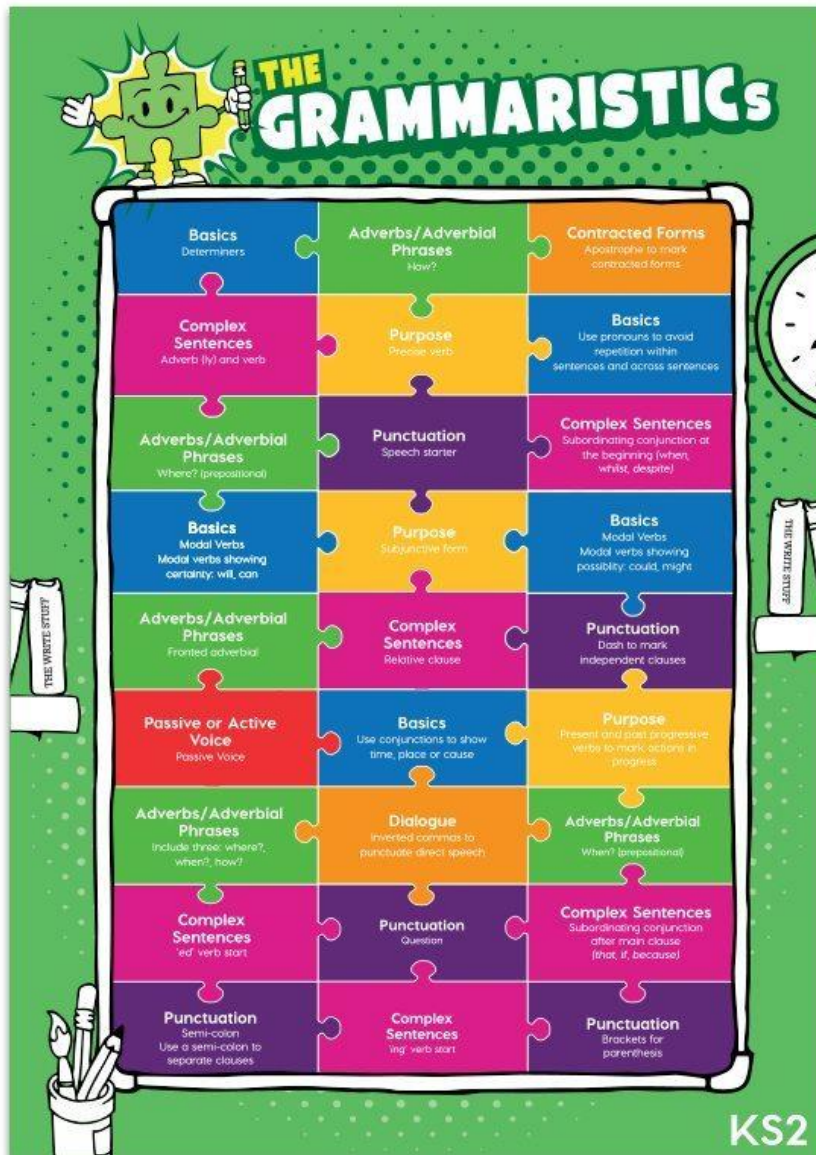

Enable – Give children the opportunity to write independently

The Write Stuff uses different areas to build interesting writing.

The Fantastic's – to give us the words and ideas for writing

The Grammaristics – to give us the grammar skills to form our sentences and paragraphs

The Boomtastics – to give our writing flair
