Headteacher's Update

It has been another busy start to the half term, with lots of exciting learning taking place across the school. One of the highlights this week was World Book Day, where the children had a fantastic time celebrating their love of reading through a range of fun literacy activities. It was lovely to see such enthusiasm for books across all year groups.

A reminder that Parents' Evening will be taking place on the 18th and 19th March and we are very much looking forward to welcoming parents into school to talk about the progress the children have been making. These meetings are always a valuable opportunity to celebrate achievements and discuss next steps together.

We also have a number of Parent Share events coming up this term. These sessions give parents the chance to come into the classroom and experience a little of what their child's learning looks like day to day. They are always a real highlight for both staff and pupils and we hope many of you will be able to join us.

Parent Share Events- coming this term

We are excited to announce a special opportunity for parents and guardians to actively participate in their child's learning experience this half term. We believe that when families and schools work together, children thrive both academically and personally. That's why we're inviting you to join us in the classroom for an engaging session centered around a current topic.

Upcoming Parent Share dates:

- Cedar: 18th March at 2:30pm
- Maple: 19th March at 2:30pm
- Acorn: 19th March at 2:15pm
- Cherry: 20th March at 2:30pm
- Poplar: 23rd March at 2:20pm
- Elder: 23rd March at 2:30pm
- Elm: 25th March at 2:15pm
- Pine: 25th March at 2.15pm
- Rowan: 26th March at 2:30pm

Mock SATS

Mock SATs will take place from 9th–12th March. Please can you make sure your child comes to school well prepared each day by having a good night's sleep and a good breakfast in the morning. We would also encourage them to do as much revision as possible at home to help them feel confident and ready for the tests.

Spring Term Curriculum

Our Spring Term Curriculum overviews are now available on the school website. These provide a detailed look at what children will be learning in each subject over the term, helping you stay informed and able to support learning at home.

To find your child's overview, please visit the school website and click on their class tab. Each class page contains a full breakdown of the topics, key skills and activities planned for this term.

We hope you find these helpful and informative. If you have any questions, please speak to your child's class teacher.

PSHE & RSHE Policy Consultation – Have Your Say

We are currently updating our PSHE (Personal, Social, Health and Economic Education) and RSHE (Relationships, Sex and Health Education) policy in preparation for the national changes coming into effect from September 2026. As part of this process, we are inviting all parents and carers to take part in a short consultation.

A link to the draft policy and the consultation form can be found on our school website.

Please visit your child's class page, where you will see a direct link to the documents.

This consultation is an opportunity for you to:

- Understand how the updated curriculum will be taught across the school
- See how sensitive topics will be introduced in an age-appropriate way
- Share your comments, questions, or feedback before the policy is finalised
- Help us ensure our approach reflects both statutory requirements and the values of our school community

Your views are important to us, and we welcome all feedback. The consultation will remain open until 10th March 2026, after which the finalised policy will be published on the website. If you have any questions or would like to discuss the policy further, please contact the school office or speak to a member of the leadership team.
