## Mrs Hearn

**Favourite book:** Matilda by Roald Dahl. I still have the book I was given on my 7th birthday and inscribed by my parents. I always loved reading as a child, like Matilda, and wanted to be a teacher or a vet from a young age so this had everything in it!

**Favourite Character:** This would have to be Miss Honey as she is a teacher who is kind and nurturing! She encourages Matilda and helps her build on her learning journey. Miss Honey cares about the children even with everything she has going on, if we can be anything then it is to be kind like Miss Honey

**Favourite thing about SET Felix:** This is difficult to answer as there are so many things which I love about SET Felix. Most of all, my favourite thing would be coming to school everyday and being part of this amazing community. Every day is different and the children make me smile. I arrived in 2012 and have remained here ever since for this reason.

**Things I like:** Most of all, I love time with my big extended family. I also love animals and I have a red fox labrador. We love walking and going on adventures to discover new places in Suffolk.

### Inclusion and Early Years

**Favourite book:** My favourite book is The Wizard of Oz. I love this book because of the imagination and the wonderful characters. I also love the movie version and can sing all of the songs from it!

**Favourite Character:** My favourite character is the lion because at first is very scared but in the end, he is very brave.

**Favourite thing about SET Felix:** When I moved to Suffolk with my family last year, SET Felix made me feel so very welcome.

**Things I like:** I love music, travel and swimming. I enjoy playing the piano and guitar. My family loves to travel back to Canada often. I was a competitive synchronised swimmer. I also love my dog Sully who is one year old.

## Mrs Hockley

### Curriculum and Enrichment

**Favourite book:** My favourite book? This is difficult - there are so many wonderful books to choose from. I love Alice in Wonderland by Lewis Carroll. The fantasy land and characters always make me smile.

**Favourite Character:** In Alice in Wonderland, I love the silliness of Tweedledum and Tweedledee and how they always finish each other's sentences

**Favourite thing about SET Felix:** The children! Our children are welcoming and enthusiastic and they are the reason I come to work with a smile on my face every day. The staff are wonderful too so I consider myself very lucky to work at SET Felix.

**Things I like:** I have three young children and we love spending our time strolling along the prom! I am a violinist and very much enjoy playing in orchestras and a string quartet where we perform in concerts and for weddings

# This is your Teacher

## Miss Hawkins

**Favourite book:** My favourite books are the Famous Five books by Enid Blyton. I love reading about the children's adventures. When I was little, my sisters and I used to pretend to be the children from the story and go off on adventures around our garden; fighting pirates and burglars and making bonfires.

**Favourite Character:** My favourite character is George. I like her sense of adventure and her stubborn nature. She reminds me of myself as a child - a girl who hated pretty dresses and dolls and loved getting muddy and playing with cars and lego

**Favourite thing about SET Felix:** My favourite thing about SET Felix is the people. The adults in the school are all very loving and supportive. The children are all friendly, fun and enthusiastic.

**Things I like:** My biggest love in life is music; listening to music, playing music and singing. I am a brass musician but the trumpet is my main instrument and I play in a number of local music groups. I also enjoy swimming and going to the gym. I also like spending time with my family and my little cat; Nala
